The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4	<u>Special Condition #2:</u> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances
---	---

Supporting Evidence: Mr. Rowe is allegedly in violation of special condition number 2 by testing positive for methamphetamine on July 6, 2021.

On July 6, 2021, Mr. Rowe attended his initial appearance Court hearing. He was then instructed to meet with the undersigned officer. Mr. Rowe was then directed to supply a urine sample. He initially refused to supply a urine sample. After further discussion, he submitted a urine sample that tested positive for methamphetamine.

Mr. Rowe signed a drug use admission form stating he used methamphetamine by ingesting a pill on or about July 4, 2021.

5 **Special Condition #2:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances

On July 6, 2021, the urine sample was sent to Alere Toxicology Laboratory and was confirmed positive for cocaine on July 12, 2021.

6 **Special Condition #3:** You shall not enter into or remain in any establishment where alcohol is the primary item of sale.
